

I Can't Wait

(Øystein Sørensen)

Before the Big Bang
Everything was great
Before the Big Bang
Everything was great
Doctors, philosophers
Got us in line into faith
Before the Big Bang
It was great

Then all the gods in the heavens said
Bring on the big show
For those who don't know
Before the Big Bang
That's when the archangel sang
About the coming
About the first and the second one
And as they tossed the coins of I Ching
I swear I could hear them sing
Let all those who can't wait reincarnate

I can't wait
I can't wait until the day
No no no no no no no no no no o
I can't wait I can't wait until the day
I see the universe unfold

Imaging this is just one hour before the Big Bang
And the devil is just a child playing with fire
And paradise is coming in a week
But there's no stairway
No man to fight
Only fields of creation in a heavenly light

I can't wait I can't wait until the day
No no no no no no no no no no o
I can't wait I can't wait until the day
I see the universe unfold

I can't wait
I can't wait until the day

I can't wait I can't wait until the day
No no no no no no no no no no no
I can't wait I can't wait until the day
I see the universe unfold
Ai ai a ao
